FAMÈE FURLANE
BIKE DAY 2023
SUNDAY SEPT 3, 10:30AM**

The Squadra Ciclismo Famèe Furlane would like to invite all Famèe Furlane Vancouver members to the SCFF Bike Day 2023.

This inaugural event is open to any member who has a bicycle of any type (road, mountain, e-bike, cruiser). This year's ride will be around Barnston Island in Surrey. The flat loop ride is 10km long and has minimal traffic. The Island is accessed by a ferry at the foot of 104 Avenue in Surrey.

There are several spots for a picnic lunch or snack and everyone can ride at their own pace. The ferry is free and runs on demand all day long so you can stay as long as you like.

The event will take place on Sunday September 3 at 10:30am, leaving from the ferry landing on the Island side.

ALL RIDERS MUST WEAR A HELMET AND ADHERE TO THE RULES OF THE ROAD AS THIS RIDE IS ENTIRELY ON A ROAD USED BY VEHICLES.

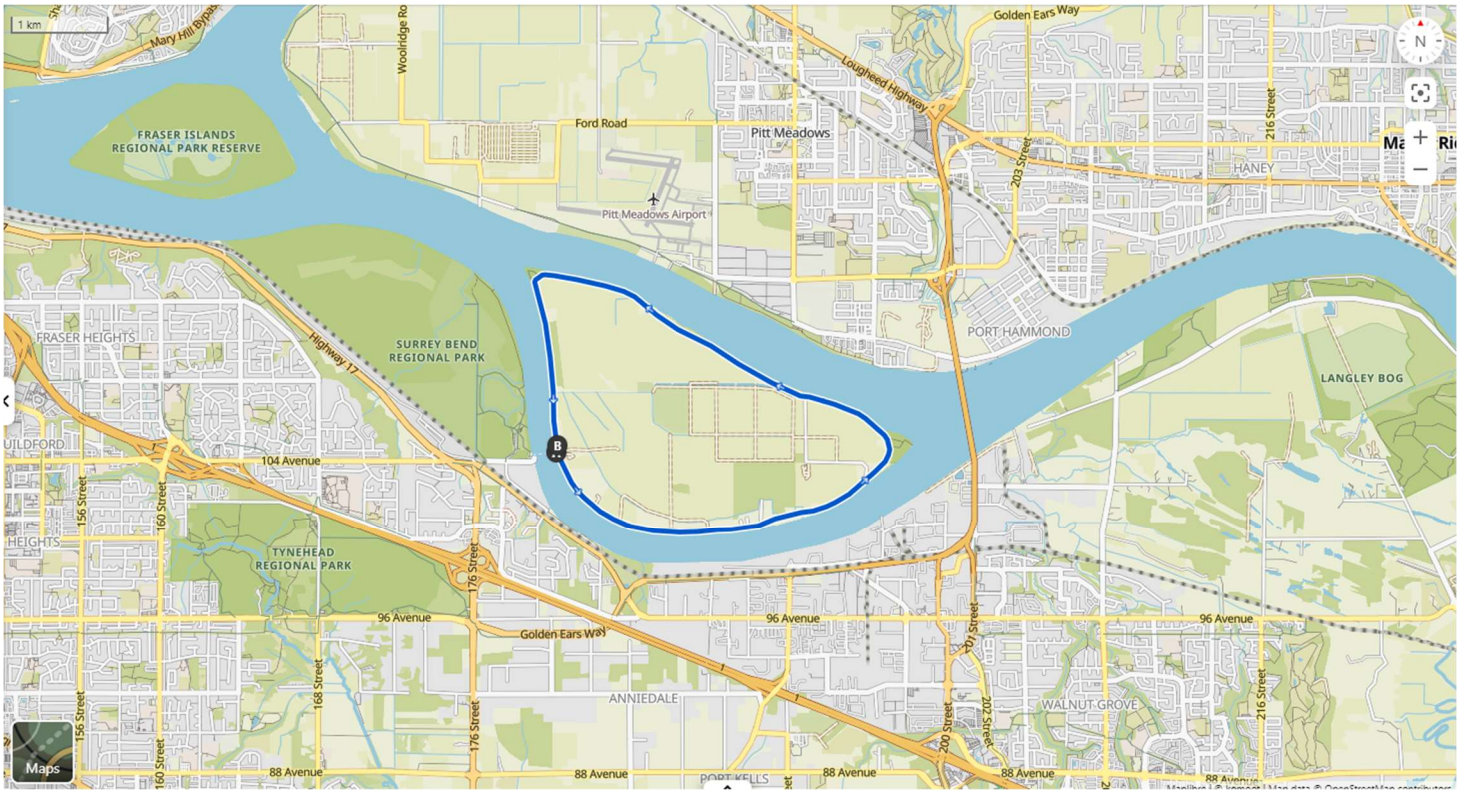

Feel free to pack a lunch or snacks as there are spots to stop and have your muset and polenta!
